## WORLDWIDE SHIPPING

We ship worldwide, so wherever you are, get in touch and we can arrange delivery.

EC55C

**SM Plant is proud to be an official distributor for Volvo compact machinery.**

Volvo Construction Equipment was established in Great Britain in 1967, quickly establishing a reputation for market leading quality equipment and unrivalled customer support.

A comprehensive range of wheeled

loaders, articulated haulers, excavators, backhoe loaders, utility equipment and motor graders has recently been enhanced by the addition of road paving and maintenance machinery.

Being a global construction equipment provider, Volvo Construction Equipment brings many advantages to its customers. With over 3000 man years experience, they are proud to

provide a close and thorough understanding of the unique requirements of the British market.

Volvo CE's three core values of quality, safety and care for the environment set the standards behind their actions and processes. Their concern for sustainable systems, responsible recycling and the environment has set new benchmarks in the industry.

**SM Plant is proud to be an official distributor for all Wacker Neuson light equipment, site dumpers and tracked dumpers.**

The Wacker Neuson brand stands for innovative first-class products. Wacker Neuson delivers quality products without compromise - a wide, yet specialized range of over 300 product groups that is unique in the market.

Offering a wide choice of, in design and technology leading, products. They range from machines for concrete technology, soil and asphalt compaction to demolition and utility equipment.

The combination of light and compact equipment products support the execution of customers' construction

processes perfectly. A great number of Wacker Neuson machines are world leaders, especially in Europe and the USA. Wacker Neuson has a reputation for high quality, reliable and durable products. Many innovations bear the name Wacker Neuson. And particular attention is always given to operational safety and added value for the customer.

The MultiSweep was developed 20 years ago by Mallow Road Engineering. The MultiSweep is a low cost solution

offering high standards of cleanliness and is adaptable to fit any forklift,

telehandler, tractor or loader and skidsteer loaders.

## More top brands

As well as being official dealers for **Volvo**, **Wacker Neuson**, **ProDem**, **CompAir** and **MultiSweep**, SM are proud to offer equipment from more top brands like **Sullair**, **Trelawney**, **Stihl** and **JCB Hydrapower**.

## Looking for specific plant?

This brochure shows just a small selection of the plant we offer. If you're looking for something in particular, it's likely we already sell it, and if not we can definitely source it for you, so check out our website for a bigger selection, or call us and enquire.

# Spare parts

As you know, here at SM Plant our aim is to be on time, everytime. Having excellent availability of genuine spare parts to support our leading brands is essential. To achieve a high first pick rate, we constantly monitor our usage, stock levels and re-order points.

## GENUINE SERVICE KITS

Over the years, we have encouraged OEMs and customers alike to take advantage of boxed service kits.

These are well packaged, simple to hold in field engineers' vans and always much more competitive than buying the items individually. In many cases, genuine service kits are less expensive than their non-genuine rivals.

## REPLACEMENT WEAR PARTS

With many years of industry experience, we are well placed to identify, purchase and stock the very best that the replacement parts market has to offer. We encourage regular enquiries from our customers as in this most volatile of markets prices may change on a weekly basis. Our website has proved an effective way to keep our followers in touch. Our website and Twitter are [www.smplantsales.co.uk](http://www.smplantsales.co.uk) and [@smplantspike](https://twitter.com/smplantspike).

## SPECIALIST PARTS

For some machines and applications only the best will do. For specialist items contact us here at SM Plant.

# Servicing

SM Plant is proud to offer first class after sales and servicing.

We have 2 fully equipped workshops as well as offering on-site service for new and used equipment and our rates are very competitive.

Our team of dedicated engineers are ready to meet your demands. All our service engineers are factory trained to the highest standard and are continually re-trained to ensure up to date knowledge on all new equipment.

## EMERGENCY CALL OUTS

SM offers an emergency call out for repairs or service, call our Rugby depot on 01788 555377 or for Birmingham call 0121 285 7100.

## SELL YOUR PLANT

We're always looking to purchase high quality equipment and machinery, please email [sales@smplantsales.co.uk](mailto:sales@smplantsales.co.uk) to send us details of plant you have for sale.

Whether you're a limited company, partnership or sole trader, SM Plant can directly offer you competitively priced finance on all plant.

Call us today for an instant quote!

## CREDIT

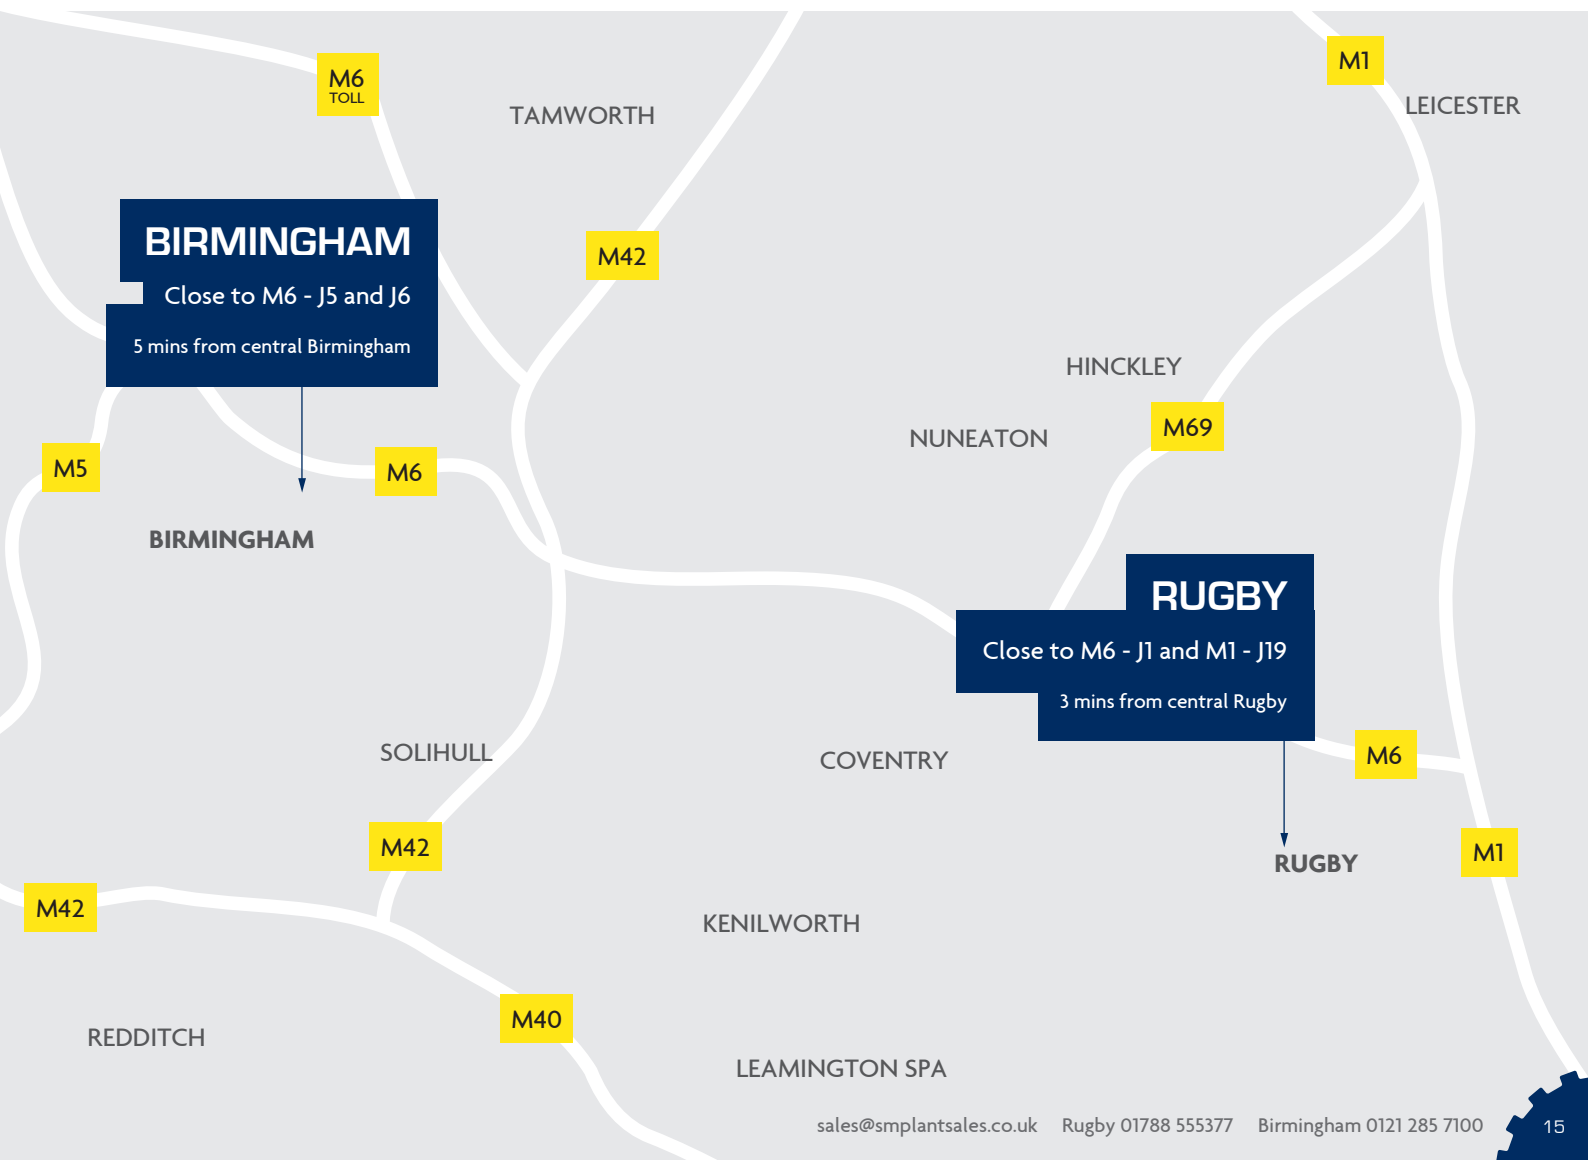

We offer a 30-day trade credit account facility to all types of businesses - please call us to apply. Once your application has been successfully processed we will contact you with your account details, usually on the day you apply. If you need to order urgently, we accept payment by credit or debit card.
